RE: Milford-Escalante Rivers Dist. Sys.
Account No. 33-53

Dear Mr. & Mrs. Dalton:

Earlier this fall the State Engineer sent a notice to you dated August 28, 1990 concerning your delinquent assessment account. The total amount due, including the 1990 assessment, is \$673.81. Inasmuch as you did not respond to the notice, the State Engineer in accordance with Section 73-5-1, Utah Code Annotated, 1953, will initiate legal action to collect your unpaid water assessment. The action will also demand that you pay the legal costs required to prosecute and collect the unpaid assessment.

If you are willing to meet with representatives of the State Engineer and myself to work out a reasonable payment plan for this debt, I will be happy to accommodate you. Otherwise, legal action will be commenced shortly.

If you have any questions, please call me at 538-7227, or Mr. Lee Sim of the State Engineer's Office at 538-7380.

Yours truly,

John H. Mabey, Jr.
